

M. BOHLKE VENEER CORP.

Enjoy Our Passionate Pursuit of Quality Veneer

When it comes to veneer, quality is everything. And the best, most visually-enthralling veneer can only be achieved when you start with superior grade hardwood or softwood timber. That's why, for nearly half a century, M. Bohlke Veneer Corp. (MBVC) has traveled the world in a passionate pursuit of the best, most unique veneer-quality timber.

Who relies on MBVC's consistency in top-notch veneer? Architects, fine furniture designers, high-end commercial mill workers, musical instrument manufacturers, automotive designers, marine and aircraft builders, and panel/door/furniture manufacturers from across the globe ... they all count on us for the merits that have placed MBVC at the forefront of the veneer manufacturing, importing and exporting.

In an industry that's widely 'dated', MBVC offers you the most modern manufacturing facilities in the world. We've used our production expertise to develop and patent many manufacturing methods. All our efficiencies and innovations boil down to improved cutting quality and increased yields, which maximizes our natural timber resources and reduces costs to you.

At MBVC, we offer world-wide distribution of more species, grades and selections of logs than any other U.S. manufacturer. Choose from over 150 species of indigenous and exotic veneers. Crotches, burls and difficult-to-find species are also available in all cuts and figure types. Select flat, quarter, rift and rotary cut veneer and grading to your specifications. Opt for custom thicknesses ranging from 0.4 to 3.0 mm. At MBVC, your options to customize your veneer projects are virtually limitless.

Quite simply, our vast selection, attention to detail, consistent quality, and exceptional service are unsurpassed in the veneer industry. But don't take our word for it. Give us a call. Let us put some free samples in your hands, and judge for yourself.

To learn more about MBVC veneer or to receive samples, please call 513-682-1460, or e-mail sales@mbveneer.com.

Species List

AMERICAN INDIGENOUS SPECIES

Alder, Red *Alnus rubra*
 Ash, Black *Fraxinus nigra*
 Ash, White *Fraxinus americana*
 Basswood *Tilia americana*
 Beech *Fagus grandifolia*
 Birch *Betula spp.*
 Butternut *Juglans cinerea*
 Cedar, Western Red *Thuja plicata*
 Cherry, Black *Prunus serotina*
 Chestnut *Castanea dentata*
 Cypress *Taxodium distichum*
 Douglas Fir *Pseudotsuga menziesii*
 Elm, Gray *Ulmus americana*
 Elm, Red *Ulmus rubra*
 Gum, Red *Liquidambar styraciflua*
 Hackberry *Celtis occidentalis*
 Hemlock *Tsuga heterophylla*
 Hickory *Carya cordiformis*
 Madrone *Arbutus menziesii*
 Maple *Acer saccharum*
 Myrtle *Umbellularia californica*
 Oak, Red *Quercus rubra*
 Oak, White *Quercus alba*
 Pecan *Carya illinoensis*
 Persimmon *Diospyros virginiana*
 Pine, Eastern White *Pinus strobus*
 Pine, Yellow *Pinus echinata*
 Poplar *Liriodendron tulipifera*
 Redwood *Sequoia sempervirens*
 Sassafras *Sassafras albidum*
 Sycamore *Plantanus occidentalis*
 Walnut, Black *Juglans nigra*
 Walnut, Claro *Juglans californica*
 Yew *Taxus brevifolia*

IMPORTED SPECIES

Fromosia *Pericopsis elata*
 Andiroba *Carapa guianensis*
 Angico *Parapiptadenia rigida*
 Anigre, *Aningeria spp.*
 Aruda *Ruta graveolens.*
 Ash, European *Fraxinus excelsior*
 Aspen, European *Populus spp.*
 Avodire *Turraeanthus africanus*
 Beech, European *Fagus sylvatica*
 Birch, European *Betula spp.*
 Black Bean *Castanospermum australe*
 Bog Oak *Quercus petraea*
 Boire *Detarium senegalense*
 Bosse *Guarea spp.*
 Bubinga, *Guibourtia tessmannii*
 Caroba *Jacaranda copaia*
 Castello *Gossypiosperum praecox*
 Cedar, Lebanon *Cedrus libani*
 Cedar, Spanish *Cedrela odorata*
 Cerejeira *Amburana caerensis*
 Cherry, European *Prunus avium*
 Cherry, Fireland *Nothofagus betuloides*
 Curupixa *Sapium spp.*
 Douisse *Azalia spp.*
 Ebony, *Diospyros spp.*
 Etimoe *Copaifera salikounda*
 Eucalyptus, Red *Eucalyptus spp.*
 Eucalyptus, *Eucalyptus spp.*
 Gaboon, Okoume *Aucoumea klaineana*

IMPORTED SPECIES - Continued

Goncalo Alves *Astronium fraxinifolium*
 Goiabão *Chrysophyllum lucentifolium*
 Holly *Ilex aquifolium*
 Imbuaya *Phoebe porosa*
 Ipe *Tabebuia serratifolia*
 Iroko *Chlorophora excelsa*
 Jarrah *Eucalyptus marginata*
 Jatoba *Hymenaea courbaril*
 Jequitiba *Cariniana spp.*
 Keyaki *Zelkova serrata*
 Kiatt *Pterocarpus angolensis*
 Kingwood *Dalbergia cearensis*
 Koa *Acacia koa*
 Kosipo *Entandrophragma condollei*
 Lacewood *Cardwellia sublimis*
 Lacewood, European *Platanus acerifolia*
 Larch *Larix decidua*
 Laurel, Indian *Terminalia alata*
 Limba, Frake *Terminalia superba*
 Louro Preto *Nectandra mollis*
 Mahogany, African *Khaya ivorensis*
 Mahogany, Cuban *Swietenia mahogoni*
 Mahogany, Honduras *Swietenia macrophylla*
 Makore *Tieghemella heckelii*
 Mansonia *mansonii affissima*
 Marfim *Balfourodendron riedelianum*
 Meranti *Shorea acuminata*
 Moabi *Baillonella Toxisperma*
 Movingui *Distemonanthus benthamianus*
 Mozambique, *Guibourtia ehie*
 Nyatoh *palquium maingayi*
 Oak Brown, European *Quercus petraea*
 Oak, European *Quercus petraea*
 Olivewood *Olea hochsteleri*
 Padauk, African *Pterocarpus soyauxii*
 Padauk, Andaman *Pterocarpus dalbergioides*
 Paldao *Dracontomelum dao*
 Pearwood *Pyrus communis*
 Peroba *Paratecoma peroba*
 Piranah Pine *Araucaria angustifolia*
 Prima Vera *Tabebuia donnell-smithii*
 Purpleheart *Peltogyne spp.*
 Ramin *Gonystylus macrophyllum*
 Red Olivillo *Aextoxicon punctatum*
 Rosewood, Brazilian *Dalbergia nigra*
 Rosewood, Zircote *Cordia spp.*
 Rosewood, Honduras *Dalbergia stevensonii*
 Rosewood, East Indian *Dalbergia latifolia*
 Rosewood, Santos *Machaerium spp.*
 Sapele *Entandrophragma cylindricum*
 Satinwood *Chloroxylon swietenia*
 Sen, *Kalopanax ricinifolium*
 Snakewood *Piratinera guianensis*
 Sucupira *Bowdichia nitida*
 Sycamore, European *Acer pseudoplatanus*
 Tamo *Fraxinus mandshurica*
 Tauari *Couratari pulchra*
 Teak *Tectona grandis*
 Tigerwood *Lovoa trichilioides*
 Timborana *Cordia goeldiana*
 Tineo *Weinmannia trichosperma*
 Tulipwood *Dalbergia frutescens*
 Walnut, Australian *Endiandra palmerstonii*
 Walnut, Circassian *Juglans regia*
 Wenge *Millettia laurentii*
 Willow *Salix alba*
 Zebrano *Microberlinia brazzavillensis*

BURL SPECIES

Amboyna *Pterocarpus indicus*
 Ash, European *Fraxinus excelsior*
 Birch, Carillian *Betula spp.*
 Camphor *Cinnamomum camphora*
 Chestnut *Aesculus hippocastanum*
 Elm, Carpathian *Ulmus spp.*
 Eucalyptus *Eucalyptus spp.*
 Imbuaya *Phoebe porosa*
 Laurel *Nectandra elaiophora*
 Lingue *Persea lingue*
 Madrone *Arbutus menziesii*
 Maple *Acer saccharum*
 Mappa *Populus tremula & spp.*
 Musk *Guarea excelsa*
 Myrtle *Umbellularia californica*
 Oak, Brown *Quercus petraea*
 Oak, White *Quercus petraea*
 Pimento *Pimenta officinalis*
 Planetree *Platanus acerifolia*
 Redwood *Sequoia gigantea*
 Thuya *Tetractiniscus articulata*
 Walnut *Juglans nigra*
 Yew *Taxus baccata*

Please note that all of the species are available in plain and quarter cut, including all types of figure. Many species are also available in crotch and swirl veneers. Some species are available in dyed colors. Please inquire.

If desired specie is not listed, please inquire. M. Bohlke Veneer prides itself in finding the rarest logs and burls all over the world to produce our fine veneers.
