# Natural Veneer

*Enjoy our passionate pursuit of quality veneer.*

## Quality is Everything

It's simple. We start with superior grade hardwood and softwood timber and end with the most visually entralling veneer. This is why we travel the world in our ongoing pursuit. We are looking for the best, most unique, and veneer quality timber.

## Consistency

From architects and yacht designers to musical instrument manufacturers, our customers rely on our consistency of top notch veneer. They count on us for the merits that have placed us at the forefront of veneer manufacturing, importing, and exporting.

## Technology

We've developed and patented many manufacturing methods over the years. These innovations improved cutting quality, as well as increased yields. Because of these innovations, we've reduced costs for our customers.

## Variety & Customization

You can choose from over 150 species of indigenous and imported veneers with us. Crotches, burls and hard-to-find species are available in many cuts and figure types. Choose from flat, quarter, rift and rotary cuts that are graded to your specifications. Opt for custom thicknesses ranging from 0.4 – 3.0 mm. FSC®-certified products are available upon request. Attention to detail, consistent quality, vast selection, and exceptional customer service make us a cut above the rest. Don't just take our word for it, though – give us a call. Our team will put some free samples in your hands, and you can judge for yourself.

# Species

## NORTH AMERICAN INDIGENOUS

Alder, Red *Alnus rubra*  
 Ash, Black *Fraxinus nigra*  
 Ash, White *Fraxinus americana*  
 Basswood *Tilia americana*  
 Beech *Fagus grandifolia*  
 Birch *Betula spp.*  
 Butternut *Juglans cinerea*  
 Cedar, Western *Red Thuja plicata*  
 Cherry, Black *Prunus serotina*  
 Chestnut *Castanea dentate*  
 Cypress *Taxodium distichum*  
 Douglas Fir *Pseudotsuga menziesii*  
 Elm, Gray *Ulmus americana*  
 Elm, Red *Ulmus rubra*  
 Gum, Red *Liquidamber styraciflua*  
 Hackberry *Celtis occidentalis*  
 Hemlock *Tsuga heterophylla*  
 Hickory *Carya cordiformis*  
 Madrone *Arbutus menziesii*  
 Maple *Acer saccharum*  
 Myrtle *Umbellularia californica*  
 Oak, Red *Quercus rubra*  
 Oak, White *Quercus alba*  
 Pecan *Carya illinoensis*  
 Persimmon *Diospyros virginiana*  
 Pine, Eastern  
 Pine, Yellow *Pinus echina*  
 Poplar *Liriodendron tulipifera*  
 Redwood *Sequoia sempervirens*  
 Sassafras *Sassafras albidum*  
 Sycamore *Plantanus occidentalis*  
 Walnut, Black *Juglans nigra*  
 Walnut, Claro *Juglans californica*  
 Yew *Taxus brevifolia*

## IMPORTED

Afromosia *Pericopsis elata*  
 Andiroba *Carapa guianensis*  
 Angico *Parapiptadenia rigida*  
 Anigre *Aningeria spp.*  
 Aruda *Ruta graveolens*  
 Ash, European *Fraxinus excelsior*  
 Aspen, European *Populus spp.*  
 Avodire *Turraeanthus africanus*  
 Beech, European *Fagus sylvatica*  
 Birch, European *Betula spp.*  
 Black Bean *Castanospermum australe*  
 Bog Oak *Quercus petraea*  
 Boire *Detarium senegalense*  
 Bosse *Guarea spp.*  
 Bubinga *Guibourtia tessmannii*  
 Caroba *Jacaranda copaia*  
 Castello *Gossypiospermum praecox*  
 Cedar, Lebanon *Cedrus libani*  
 Cedar, Spanish *Cedrela odorata*  
 Cerejeira *Amburana caerensis*

## IMPORTED - Continued

Cherry, European *Prunus avium*  
 Cherry, Fireland *Nothofagus betuloides*  
 Curupixa *Sapium spp.*  
 Doussie *Azelia spp.*  
 Ebony *Diospyros spp.*  
 Etimoe *Copaifera salikounda*  
 Eucalyptus, Red *Eucalyptus spp.*  
 Eucalyptus *Eucalyptus spp.*  
 Gaboon, Okoume *Aucoumea klaineana*  
 Goncalo Alves *Astronium fraxinifolium*  
 Goiabao *Chrysophyllum lucentifolium*  
 Holly *Ilex aquifolium*  
 Imbuya *Pheobe porosa*  
 Ipe *Tabebuia serratifolia*  
 Iroko *Chlorophora excelsa*  
 Jacaranda *Dalbergia nigra*  
 Jarrah *Eucalyptus marginata*  
 Jatoba *Hymenaea courbaril*  
 Jequitiba *Cariniana spp.*  
 Keyaki *Zelkova serrata*  
 Kingwood *Dalbergia cearensis*  
 Koa *Acacia koa*  
 Kosipo *Entandrophragma condellei*  
 Lacewood *Cardwellia sublimis*  
 Lacewood, European *Platanus acerifolia*  
 Larch *Larix decidua*  
 Laurel, Indian *Terminalia alata*  
 Limba, Frake *Terminalia superba*  
 Louro Preto *Nectandra mollis*  
 Mahogany, African *Khaya ivorensis*  
 Mahogany, Cuban *Swietenia mahogoni*  
 Mahogany, Honduras *Swietenia macrophylla*  
 Makore *Tieghemella heckelii*  
 Mansonia *Mansonia altissima*  
 Marfim *Balfourodendron riedelianum*  
 Meranti *Shorea acuminata*  
 Moabi *Bailonella toxisperma*  
 Movingui *Distemonanthus benthamianus*  
 Mozambique *Guibourtia ehie*  
 Nyatoh *Palquium maingayi*  
 Oak Brown, European *Quercus petraea*  
 Oak, European *Quercus petraea*  
 Olivewood *Olea hochstelleri*  
 Padauk, African *Pterocarpus soyauxii*  
 Padauk, Andaman *Pterocarpus dalbergiodes*  
 Paldao *Dracontomelum dao*  
 Parana Pine *Araucaria angustifolia*  
 Pearwood *Pyrus communis*  
 Peroba *Paratecoma peroba*  
 Prima Vera *Tabebuia donell-smithii*  
 Purpleheart *Peltogyne spp.*  
 Ramin *Gonystylus macrophyllum*  
 Red Olivillo *Aextoxicon punctatum*  
 Rosewood, Honduras *Dalbergia stevensonii*  
 Rosewood, East Indian *Dalbergia latifolia*  
 Santos *Machaerium spp.*

## IMPORTED - Continued

Sapele *Entandrophragma cylindricum*  
 Satinwood *Chloroxylon swietenia*  
 Sen *Kalopanax ricinifolium*  
 Snakewood *Piratinera guianensis*  
 Sucupira *Bowdichia nitida*  
 Sycamore, European *Acer pseudoplatanus*  
 Tamo *Fraxinus mandshurica*  
 Tauari *Couratari pulchra*  
 Teak *Tectona grandis*  
 Tigerwood *Lovoa trichilioides*  
 Timborana *Cordia goeldiana*  
 Tineo *Weinmannia trichosperma*  
 Tulipwood *Dalbergia frutescens*  
 Walnut, Australian *Endiandra palmerstonii*  
 Walnut, Circassian *Juglans regia*  
 Wenge *Millettia laurentii*  
 Willow *Salix alba*  
 Zebrano *Microberlinia brazzavillensis*  
 Ziricote *Cordia spp.*

## BURL

Amboyna *Pterocarpus indicus*  
 Ash, Olive *Fraxinus excelsior*  
 Birch, Carillian *Betula spp.*  
 Bosse *Guarea cedrata*  
 Bubinga *Guibourtia tessmannii*  
 Buckeye *Aesculus articulata*  
 Camphor *Cinnamomum camphora*  
 Elm, Carpathian *Ulmus spp.*  
 Eucalyptus *Eucalyptus spp.*  
 Imbuya *Phoebe porosa*  
 Laurel *Nectandra elaiophora*  
 Lingue *Persea lingue*  
 Madrone *Arbutus menziesii*  
 Maple *Acer saccharum*  
 Mappa *Populus tremula & spp.*  
 Musk *Guarea excelsa*  
 Myrtle *Umbellularia californica*  
 Oak, Brown *Quercus petraea*  
 Oak, White *Quercus petraea*  
 Pimento *Pimenta officinalis*  
 Planetree *Platanus acerifolia*  
 Redwood *Sequoia gigantea*  
 Thuya *Tetraclinis articulata*  
 Walnut *Juglans nigra*  
 Yew *Taxus baccata*

Please note that all species are available in plain and quarter cut, including all types of figure.

Many species are also available in crotch and swirl veneers. Some species are available in dyed colors. Please inquire.
