# 2019 lumber open house

**Our "All Barks, Some Bites" open house was a success within our local communities of Fairfield and Hamilton, OH**

We opened our doors in early October on a beautiful Saturday to woodworkers, both professional and hobbyists, business owners, friends, and employees. With their support, we were able to raise \$500 for Animal Friends Humane Society in Hamilton, OH, plus a substantial amount of item donations.

The \$500 monetary donation was raised from our Walnut live edge raffle... and our winner is Keith Amos. Congrats to Keith and family! Keith has already begun on his slab, cutting off the ends and gifting them to another woodworker, Larry. Larry plans to use his ends to create cutting boards. Keith is making a coffee table and is exploring ideas for the base.

Special thank you to Trooper (Cincinnati's local dog celebrity) and family from The Trooper Telegraph (@thetroopertelegraph) for being apart of our event, and to all our guests for your generosity and support.

Jon had his photo taken with Trooper. 4. Visitors admiring slabs in one of the lumber warehouses. 5. A wonderful assortment of item donations atop our M. Bohlke Corp. flatbed. There was cat and dog food, treats and toys, paper towels, new towels, litter, puppy pads, cleaning supplies and office supplies for the AFHS staff. 6.
