

A large, vertical image showing a close-up of a wood grain texture. The wood has a rich, warm brown color with prominent, dark, vertical streaks and a fine, linear grain pattern. The texture is consistent throughout the image, which occupies the top two-thirds of the page.

Santos Vtec (*Triplochiton scleroxylon*)

Region: Asia **Figure Type:** Plain **Cut(s):** Quarter

Santos Vtec is 100% wood. Vtec is made from Ayous, which is legally harvested with SCS certification, or from plantation grown Poplar or Basswood for close-grain patterns. Common applications: Furniture, store fixtures, accents, walls, and more.
