

Unique species option: brown Ebony live edge

#392925-847490 20.31' long x 28.74" wide x 2.76" deep

#393147-847622 20.08' long x 39.37" wide x 2.44" deep

#393269-847434 13.42' long x 38.19" wide x 2.64" deep

#393314-847426 13.39' long x 32.68" wide x 2.56" deep

Our brown Ebony live edge inventory consists of long slab lengths of 13-21ft+ at affordable price points. Live edge brown Ebony is a perfect choice for bringing nature indoors through warm, earthy tones, seen below through a finished bespoke dining table in a modern home. In addition to its beauty, brown Ebony is highly stable and durable.

These slabs range in light golden browns to darker red browns, with even darker and handsome brown to black striping; darker pieces are sometimes compared to Walnut aesthetically. This South American species is also highly popular for turning, musical instruments and decorative pieces.

Pictured left are only four of our 75+ available brown Ebony slabs—contact your MB sales representative, or our team at sales@mbvener.com, to reserve your top choice today.

Close-up: Wenge

Traditionally used in veneer, paneling and inlay, having Wenge available in slab form is rare and unique. Our slab inventory ranges in lengths from 11-13ft+ with widths between 14-39"+. Wenge is a tree of Central Africa and has been a favorite of woodworkers for decades—it has excellent strength and hardness properties and is often a more cost-effective substitute for Ebony. This species is one of the naturally darkest woods in the world, and when conventionally dried, has dark, rich browns, sometimes with slight red hues.

In addition to Wenge tabletops, we also have 4/4 and 8/4 FAS&BTR square edge, as well as flat cut and quarter cut veneer available.

Wenge live edge

Wenge 8/4 FAS&BTR

Getting to know Wenge

- Extremely durable, dense and tough; highly resistant to scratching and abrasion.
- Takes a very high polish, incredibly smooth; low, natural luster.
- Naturally resistant to rot and termite attack.
- Very popular in crafting high-end pieces meant to last, such as furniture, floor paneling, and musical instruments.
