

MB BOILER OPERATOR

Position Overview

Boiler Operators oversee all boiler operations on rotating shifts; this position is paid weekly and is eligible for our \$200/month Perfect Attendance Bonus.

Key Responsibilities

- Oversee temps and biomass fuel feed of two Wood Fired Dutch Oven Boilers
- Oversee Steam Pressure and water supply of one 50psi steam boiler
- Oversee temperature and pressure flow of 80-100 psi Thermal Transfer Oil to production
- Monitoring of all biomass fuel levels
- Perform daily water analysis and reporting of softeners operational status for the steam generator
- Register the daily boilers fuel consumption and stack emissions
- Assisting with monitoring various production related needs during non-production hours including:
 - Monitoring of production's steeping vats during non-production hours (temperature trend, water level, steam pressure, etc.)
 - Periodic plant walkthroughs for general/basic safety checks during non-production hours
 - Starting of production dryers/kilns prior to 1st shift startup
 - Weekly boiler maintenance and cleanout
 - Removal of boiler slag and ash
 - Inspection of boiler refractory, feeding mechanicals and oil piping
 - Boiler re-fire and startup procedures

Requirements

- Previous boiler operation experience not required, but is a large benefit
- Must be willing to work regularly rotating shifts (Southern Swing Rotation) 1st shift (8 a.m.-4 p.m.), 2nd shift (4 p.m.-12 a.m.), and 3rd shift (12 a.m.-8 a.m.)
- Must be physically fit and willing to do light manual labor including but not limited to: emptying ash canisters, shoveling & sweeping, and feeding wood boards into a chipper
- Must be willing to work in the elements and in a noisy environment
- Must be willing to work with wood and wood dust
- Must have impeccable attendance & willing to work holidays and weekends
- Front End loader and powered industrial forklift experience a plus
- Must be well organized and have good communication skills
- Must maintain clean and organized working area at the end of shifts
- Must be able to coordinate the Boiler Saturday cleaning crew when needed

ABOUT M. BOHLKE CORP.

Our Culture

We feel that dedicated people are the key to our success. Through the efforts of our team, M. Bohlke Corp. has become a world leader in the wood industry. Over 50 of our 200+ employees have spent 25+ years with us! Our office is located in Fairfield, OH, just north of Cincinnati.

Our History

Benefits Overview

- Health and dental insurance.
- \$15,000 life insurance policy to the age of 65.
- Matching retirement contributions equal to 50% of the first 4% that an employee contributes, or 2%.
- A Perfect Attendance Bonus for hourly employees.
- Nine paid holidays.

Environmental Responsibility

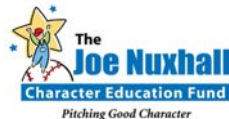

We have a strong commitment to the preservation and protection of the forests which supply our raw materials. We work with timberland owners to responsibly harvest trees in a selective manner.

Over the years, we have invested, developed and patented technology to produce the most out of veneer quality logs. From our knife grinder to our patented vacuum flitch beds, we have increased yields, allowing us to make the most out of our natural resource.
