

MB SAFETY COORDINATOR

Position Overview

Experienced Safety Coordinator who will focus on promoting workplace safety and regulatory compliance for MBVC and its subsidiaries. This position is also responsible for discovering opportunities for improving conditions and executing various safety programs across a multidisciplinary workforce.

Key Responsibilities

- Must be at least 50% in the field.
- Maintain EHS policies/programs, including documentation, corrective action.
- Advise and instruct on various safety-related topics, including holding Safety Council, Department safety meetings and regular safety audits.
- Conduct scheduled risk assessments and enforce preventative measures.
- Manage training matrix, assist in facilitating training keeping employees current.
- Review existing policies/measures; update according to new legislation.
- Initiate and organize EHS training of employees and executives.
- Inspect premises and work of personnel to identify issues or non-conformity.
- Oversee installations, maintenance, disposal of substances, etc., to ensure they are done in accordance with OSHA and MBVC standards.
- Stop unsafe acts or processes; issue corrective or disciplinary actions accordingly.
- Record and investigate incidents to determine causes.
- Maintain OSHA 300 log.
- Assist and work in tandem with Human Resources when dealing with Worker's Compensation cases.
- Prepare reports on occurrences; provide statistical information to upper management.
- Attend local county or district safety meetings.
- Ensure safety procedures and protocols are being followed in all locations.
- Installation and upkeep of safety tracking software.

Preferred Candidate Profile

- Proven experience as in the field of Safety.
- In-depth knowledge of legislation (e.g. OSHA/EPA) and procedures.
- Knowledge of potentially hazardous materials or practices.
- Experience in writing reports and policies for health and safety.
- Familiarity with conducting data analysis and reporting statistics.
- Bilingual; Spanish a plus.
- Proficient in MS Office.
- Outstanding organizational skills.
- Diligent with great attention to detail.
- Excellent communication skills with the ability to present and speak to large groups.
- An OSHA 10 or OSHA 30 level certification.
