

MB PRODUCTION/OPERATOR TRAINEE

Position Overview

We are seeking a Production/Operator Trainee who would like to grow and learn the different aspects of our production process. In collaboration with the Line manager and fellow employees, this associate will learn the specific job functions of the machine they are on. This position is perfect for someone looking to grow into a leadership position within a manufacturing setting environment.

Key Responsibilities

- Becoming proficient with the Wood Veneer Manufacturing process.
- Hanging and transferring Logs.
- Having a student mentality when it comes to learning to operate the various machinery used in the wood veneer manufacturing process.
- Follows specific directions.
- Able to work in different departments as needed.
- Basic data entry duties.
- Willingness to want to grow and learn our processes and machine operation.
- Keeps work areas clean and orderly.
- Complies with all safety regulations and practices.
- Picks up parts, paper, objects, and residue off the floor and around workstations.

Qualifications

- Must be eligible to work in the United States.
- Must possess the physical capabilities to perform all duties.
- Must be able to perform regular work assignments without close supervision.
- Must be able to work in a team environment.
- Employees must be able to pass a drug screen.
- Steel-toed footwear and safety glasses required as well as ability to stand for long periods of time.
- Machine Operation experience, a plus.
- Good attendance.
- Must have good work ethic and willing to do physical labor.
- The ability to use basic math.

ABOUT M. BOHLKE CORP.

Our Culture

We feel that dedicated people are the key to our success. Through the efforts of our team, M. Bohlke Corp. has become a world leader in the wood industry. Over 50 of our 200+ employees have spent 25+ years with us! Our office is located in Fairfield, OH, just north of Cincinnati.

Our History

Benefits Overview

- Health and dental insurance.
- \$15,000 life insurance policy to the age of 65.
- Matching retirement contributions equal to 50% of the first 4% that an employee contributes, or 2%.
- A Perfect Attendance Bonus for hourly employees.
- Nine paid holidays.

Environmental Responsibility

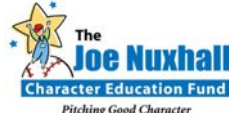

We have a strong commitment to the preservation and protection of the forests which supply our raw materials. We work with timberland owners to responsibly harvest trees in a selective manner.

Over the years, we have invested, developed and patented technology to produce the most out of veneer quality logs. From our knife grinder to our patented vacuum flitch beds, we have increased yields, allowing us to make the most out of our natural resource.
