Natural Veneer

Enjoy our passionate pursuit of quality veneer.

Quality is Everything

It's simple. We start with superior grade hardwood and softwood timber and end with the most visually entralling veneer. This is why we travel the world in our ongoing pursuit. We are looking for the best, most unique, and veneer quality timber.

Consistency

From architects and yacht designers to musical instrument manufacturers, our customers rely on our consistency of top notch veneer. They count on us for the merits that have placed us at the forefront of veneer manufacturing, importing, and exporting.

Technology

We've developed and patented many manufacturing methods over the years. These innovations improved cutting quality, as well as increased yields. Because of these innovations, we've reduced costs for our customers.

Variety & Customization

You can choose from over 150 species of indigenous and imported veneers with us. Crotches, burls and hard-to-find species are available in many cuts and figure types. Choose from flat, quarter, rift and rotary cuts that are graded to your specifications. Opt for custom thicknesses ranging from 0.4 – 3.0 mm. FSC®-certified products are available upon request. Attention to detail, consistent quality, vast selection, and exceptional customer service make us a cut above the rest. Don't just take our word for it, though – give us a call. Our team will put some free samples in your hands, and you can judge for yourself.

NORTH AMERICAN INDIGENOUS

Alder, Red *Alnus rubra*
Ash, Black *Fraxinus nigra*
Ash, White *Fraxinus americana*
Basswood *Tilia americana*
Birch *Betula* spp.
Butternut *Juglans cinerea*
Cedar, Aromatic *Juniperus virginiana*
Cedar, Western Red *Thuja plicata*
Cedar, Yellow *Cupressus nootkatensis*
Cherry, Black *Prunus serotina*
Cypress *Taxodium distichum*
Douglas Fir *Pseudotsuga menziesii*
Elm, Grey *Ulmus americana*
Elm, Red *Ulmus rubra*
Gum, Red *Liquidambar styraciflua*
Hackberry *Celtis occidentalis*
Hemlock *Tsuga heterophylla*
Hickory *Carya cordiformis*
Maple, Birdseye, Curly, Quilted, Wormy *Acer saccharum*
Oak, Red *Quercus rubra*
Oak, White *Quercus alba*
Pecan *Carya illinoensis*
Persimmon *Diospyros virginiana*
Pine, Eastern White *Pinus strobus*
Pine, Knotty *Pinus strobus*
Pine, Ponderosa *Pinus ponderosa*
Pine, Sugar *Pinus lambertiana*
Pine, Yellow *Pinus echinata*
Poplar *Liriodendron tulipifera*
Redwood *Sequoia sempervirens*
Sassafras *Sassafras albidum*
Spruce *Picea sitchensis*
Sycamore *Platanus occidentalis*
Walnut, Black *Juglans nigra*
Walnut, Claro *Juglans californica*
Yew, Pacific *Taxus brevifolia*

IMPORTED

Afrormosia *Pericopsis elata*
Alder, European *Alnus glutinosa*
Almond *Terminalia catappa*
Amapa *Parahancornia amapa*
Andiroba *Carapa guianensis*
Anigre *Aningeria* spp.
Apple *Malus sylvestris*
Arruda *Dalbergia frutescens*
Ash, European *Fraxinus excelsior*
Aspen, European *Populus alba*
Avodire *Turraeanthus africanus*
Basswood, European *Tilia europaea*
Beech, European *Fagus sylvatica*
Bibolo *Lovoa trichilioides*
Birch, European *Betula papyrifera*
Black Bean *Castanospermum australe*
Blackwood *Acacia melanoxylon*
Bocote *Cordia elaeagnoides*
Boire *Detarium senegalense*
Bosse *Guarea cedrata*
Bubinga *Guibourtia demeusei*
Cabreuva *Myroxylon balsamum*
Caroba *Jacaranda copaia*
Castello *Calycophyllum multiflorum*
Catalpa *Catalpa speciosa*
Cedar, Lebanon *Cedrus libani*
Cedar, Spanish *Cedrela odorata*
Cedar, Sugi *Cryptomeria japonica*
Cerejeira *Amburana cearensis*
Chechen, African *Antiaris africana*
Chechen, S. American *Metopium brownei*
Cherry, European *Prunus avium*
Cherry, Fireland *Nothofagus pumilio*
Chestnut, European *Castanea sativa*
Cocobolo *Dalbergia retusa*
Cumaru *Dipteryx polyphylla*
Curupixa *Micropholis venulosa*
Dedalero *Lafoensia* spp.
Doussie *Azelia* spp.
Ebiara *Berlinia grandiflora*
Ebony *Diospyros* spp.

IMPORTED - Continued

Emien *Alstonia congenis*
Etimo *Copaifera salikounda*
Eucalyptus *Eucalyptus globulus*
Eucalyptus, Red *Eucalyptus globulus*
Figuera, Crystal Oak *Ficus insipida*
Fir, European *Abies alba*
Frake *Allantoma lineata*
Gaboon, Okoume *Aucoumea klaineana*
Garapa *Apuleia leiocarpa*
Goncalo Alves *Astronium fraxinifolium*
Goiabao *Chrysophyllum lucentifolium*
Granadillo *Platymiscium yucatanum*
Hinoki *Chamaecyparis obtusa*
Holly *Ilex aquifolium*
Huanacaxtle *Enterolobium cyclocarpum*
Imbuva *Phoebe porosa*
Ipe *Tabebuia serratifolia*
Iroko *Chlorophora excelsa*
Itauba *Mezilaurus synandra*
Izombe *Testulea gabonensis*
Jacaranda *Dalbergia nigra*
Jarra *Eucalyptus marginata*
Jatoba *Hymenaea courbaril*
Jequitiba *Cariniana* spp.
Katalox *Swartzia cubensis*
Keyaki *Zelkova serrata*
Kiaat *Pterocarpus angolensis*
Kingwood *Dalbergia cearensis*
Koa *Acacia koa*
Kosipo *Entandrophragma candollei*
Kotibe *Nesogordonia papaverifera*
Lacewood, Australian *Cardwellia sublimis*
Lacewood, Brazilian *Roupala brasiliensis*
Lacewood, European *Platanus hybrida*
Larch *Larix decidua*
Lati *Amphimas pterocarpoides*
Laurel, East Indian *Terminalia alata*
Limba, Frake *Terminalia superba*
Louro Preto *Nectandra mollis*
Machiche *Andira intermis*
Mahogany, African *Khaya ivorensis*
Mahogany, Cuban *Swietenia mahogoni*
Mahogany, Honduras *Swietenia macrophylla*
Mahogany, Tiama *Entandrophragma angolense*
Makore *Tieghemella heckelii*
Mamansia *Samanea saman*
Mango *Mangifera indica*
Mansonia *Mansonia altissima*
Massaranduba *Manilkara bidentata*
Meranti *Shorea acuminata*
Moabi *Baillonella toxisperma*
Movingui *Distemonanthus benthamianus*
Mozambique *Guibourtia ehie*
Myrtle, Tasmanian *Umbellularia californica*
Niove *Staudtia gabonensis*
Nyatoh *Palaquium maingayi*
Oak, Bog *Quercus* spp.
Oak, English Brown *Quercus robur*
Oak, European *Quercus petraea*
Oak, Kashi *Quercus myrsinifolia*
Oak, Spessart *Quercus petraea*
Olivewood *Olea europaea*
Olivillo, Red *Aextoxicon punctatum*
Padauk, African *Pterocarpus soyauxii*
Padauk, Andaman *Pterocarpus dalbergioides*
Paldao *Dracontomelum dao*
Palm *Trachycarpus fortunei*
Palo Maria *Calophyllum brasiliense*
Pao Rosa *Swartzia fistuloides*
Pearwood *Pyrus communis*
Peroba *Paratecoma peroba*
Pine, Parana *Araucaria angustifolia*
Pine, Radiata *Pinus radiata*
Prima Vera *Tabebuia donell-smithii*
Purple Heart *Peltogyne* spp.
Quina *Myroxylon balsamum*
Ramin *Gonystylus macrophyllum*
Rauli *Nothofagus procera*
Rosewood, De Mato *Ormosia monosperma*

IMPORTED - Continued

Rosewood, Honduras *Dalbergia stevensonii*
Rosewood, East Indian *Dalbergia latifolia*
Sangre de Toro *Virola koschnyi*
Santo Domingo *Dalbergia stevensonii*
Santos *Machaerium* spp.
Sapele *Entandrophragma cylindricum*
Satinwood *Chloroxylon swietenia*
Sen *Kalopanax septemlobus*
Sipo *Entandrophragma utile*
Spruce, European *Picea abies*
Sucupira *Bowdichia nitida*
Sycamore, European *Acer pseudoplatanus*
Tali *Erythrophleum ivorense*
Tamo Ash *Fraxinus mandshurica*
Tarara *Centrolobium robustum*
Tauari *Couratari pulchra*
Teak *Tectona grandis*
Timborana *Piptadenia rigida*
Tineo *Weinmannia trichosperma*
Tulipwood *Dalbergia frutescens*
Walnut, Australian *Endiandra palmerstonii*
Walnut, Circassian *Juglans regia*
Walnut, English *Juglans regia*
Walnut, Peruvian *Juglans neotropica*
Walnut, Silky *Dillenia papuana*
Wenge *Milletia laurentii*
Willow *Salix alba*
Yesquero Blanco *Cariniana* spp.
Zebrano *Microberlinia brazzavillensis*
Zircote *Cordia* spp.

BURL

Amboyna *Pterocarpus indicus*
Ash, Olive *Fraxinus excelsior*
Ash, White *Fraxinus excelsior*
Birch, Carillian *Betula* spp.
Buckeye *Aesculus octandara*
Camphor *Cinnamomum camphora*
Cherry *Prunus avium*
Chestnut *Castanea dentata*
Elm, Carpathian *Ulmus campestris*
Eucalyptus *Eucalyptus globulus*
Imbuva *Phoebe porosa*
Laurel *Nectandra elaiophoria*
Lingue *Persea lingue*
Madrone *Arbutus menziesii*
Magnolia *Magnolia grandiflora*
Maple *Acer saccharum*
Mappa *Populus tremula*
Mesquite *Prosopis juliflora*
Musk *Guarea guidonia*
Myrtle *Umbellularia californica*
Oak, English Brown *Quercus robur*
Oak, White *Quercus alba*
Palo Alto *Guaiacum officinale*
Pellin *Nothofagus obliqua*
Pimento *Pimenta officinalis*
Planetree *Platanus* spp.
Redwood *Sequoia sempervirens*
Tamo *Fraxinus mandshurica*
Thuya *Tetraclinis articulata*
Walnut *Juglans nigra*
Walnut, Circassian *Juglans regia*
Willow *Salix alba*
Yew, English *Taxus baccata*
Yew, Pacific *Taxus brevifolia*

Please note that all species are available in plain and quarter cut, including all types of figure.

Many species are also available in crotch and swirl veneers. Some species are available in dyed colors. Please inquire.
